# Peroxi~Det

## Hydrogen Peroxide-Based Cleaner

- Two dilutions; standard hydrogen peroxide usage
- Closed loop 1/2 gallon dilution control
- Light, clean scent with touch of citrus
- More economical than other H2O2 formulations

Recognized for Safer Chemistry  
www.epa.gov/dfe

HMIS RATING (USE)	
HEALTH	0
FLAMMABILITY	0
REACTIVITY	0
PROTECTION	B

### Environmental Benefits

- Neutral pH
- No solvents
- Phosphate-free
- Nonylphenol ethoxylates-free (NPE)
- Biodegradable ingredients

Hydrogen-peroxide based Cleaner-Degreaser-Deodorizer works quickly on any water-safe surface to remove dirt, grime and grease. Will not discolor, cloud or scratch surfaces, including plexi-glass. Neutral pH is ideal for cleaning marble, granite and other pH sensitive surfaces.

Ideal for long-term care centers, educational facilities, health/fitness centers, office buildings, hotels, restaurants, and day care centers.

Fits standard hydrogen peroxide dilution control systems

### 2 Dilutions

**LIGHT DUTY**  
1 oz. / gallon

**HEAVY DUTY**  
10 oz. / gallon

### 95% All Surfaces

Use on all water-safe porous and non-porous surfaces

Stainless Steel, Windows, Mirrors, Whiteboards, Painted Surfaces, Counters, Desktops, Plexi-glass

Carpet Spotting, Body Oils, Greasy Smears, Heavy Soils, Grout Renovation, Dried Food

### ATP Comparison - Post-Cleaning Effectiveness

Start Contamination: 942  
End Contamination: 6

99.36% effective

Start Contamination: 1140  
End Contamination: 51

95.52% effective

118 Competitor (heavy)

Start Contamination: 822  
End Contamination: 24

97.08% effective

- Phosphate-free
- Nonylphenol ethoxylates-free (NPE)

LIGHT DUTY 1 oz. / gallon	HEAVY DUTY 10 oz. / gallon
Daily Cleaning	Restoration Cleaning
Daily floor cleaning, general wipe-down, stainless steel, whiteboards, painted surfaces, counters, desktops. Apply with mop, sprayer, automatic scrubber.	Heavy-duty cleaning of floor surfaces, carpet stains, dried food, restroom floors, grease, grime, oily floors, locker rooms, pet odors/stains.

*Orange-Ox restores grout lines to an original brightness in record time.*

*See full video on our website of how Orange-Ox outperforms another leading hydrogen peroxide product in cutting through black moly grease.*

We've fortified our popular hydrogen peroxide-based cleaner-degreaser-deodorizer with d-limonene to provide the extra power boost required in professional cleaning.

Orange-Ox works quickly on any water-safe surface, both porous and non-porous, to remove dirt, grime and grease. Neutral pH is ideal for cleaning marble, granite and other pH sensitive surfaces.

Ideal for institutional kitchens, food processing areas, light industrial, grocery stores, automotive dealerships, educational facilities, office buildings, and correctional facilities.

*Fits standard hydrogen peroxide cleaner dilution control systems*

# D Mineralizer

## Mineral & Toilet Bowl Cleaner

- Two economical dilutions
- Closed loop 1/2 gallon dilution control
- Pleasant, clean scent
- Non-fuming, non-corrosive to skin and surfaces

NPCA RATING (USE)	
HEALTH	1
FLAMMABILITY	0
REACTIVITY	0
PROTECTION	B

### Environmental Benefits

- Safer than hydrochloric acid
- Faster than phosphoric or citric acid
- Phosphate-free
- Safer for users
- Non-corrosive to mild steel
- No chlorine
- No solvents
- Safe for septic systems

*Fits standard mineral cleaner dilution control systems*

D-Mineralizer is a powerful, pleasantly scented mineral and toilet bowl cleaner. It is non-abrasive and will not pit, streak, or blacken stainless steel or aluminum.

Use it on tile, grout, stainless steel, aluminum, copper, plexi-glass, ceramic, porcelain, copper and glass.

Ideal for restrooms, locker rooms, health/fitness centers, country clubs, long-term care centers, educational facilities, office buildings, correctional facilities, automotive shops.

*Closed Loop 1/2-gallon Proportioner*

### 2 Dilutions

**LIGHT DUTY**  
5 oz / gallon

**HEAVY DUTY**  
20 oz / gallon

Daily  
Cleaning

Restoration  
Cleaning

Remove light rust or mineral deposits from sinks, toilet bowls, urinals, bathroom fixtures, glass, ceramic, or plastic tiles, drinking fountains.

Heavy-duty cleaning of toilet bowls, urinals, bathroom fixtures, faucets, drains, periodic renovation of ceramic tiles, quarry tile, and grout lines.
